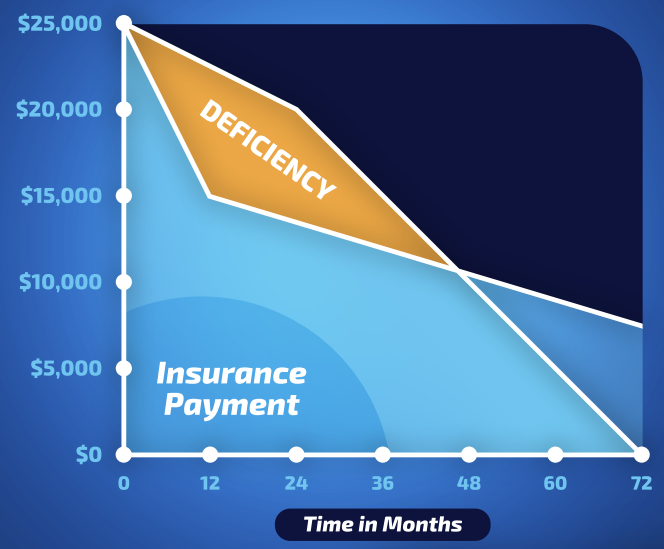
Often, there is a **gap** between the amount of your insurance settlement and the balance of your loan when your vehicle is deemed a total loss due to the following:

- *Accident*
- *Fire*
- *Theft*
- *Vandalism*
- *Natural Disaster*
- *Flood*

The **consumer** is responsible for any remaining balance on the loan after the primary insurance settlement.

GAP DEFICIENCY CHART



Gain the ultimate *peace of mind* by knowing the GAP is bridged
